

## MARINELAND MEMORIES

SATURDAY, JUNE 14, 2003

Kim Donald, left, with her daughters Julie and Lisa, from Strathroy, get some help from Marineland trainer Mike Bunn on feeding one of the killer whales. The family was in town for a Dreams to Memories wish experience. The foundation grants wishes for terminally ill parents with children to experience their wish. The Donalds wanted to come to Niagara Falls to enjoy the sights and attractions and to create some memories. Donald is seriously ill with cancer.
