

**Dear Dreams To Memories,**

It is with sad tidings to inform you that Sone Kham Tang passed away this morning. Ly wants me to personally thank you for the amazing and cherished memories that they all had at the cottage. Sone was able to traverse the long journey to enjoy the beautiful sunrises and sunsets, watched delightfully as his kids splash and play, and to just simply relish the love from his families and friends. But most important of all, Sone was very happy to grant some beautiful and lasting memories to his wife and children of the lovely time they have together.

All these would not have been possible without your generosity!

**On behalf of Sone Kham Tang and his family, thank you once again!**
